

KFI seating

Multi-Purpose/Education and Higher Learning

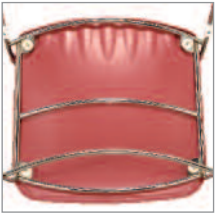

Compact Stacker is great for individual or mass seating needs!

Convenient handle allows for easy moving and storage

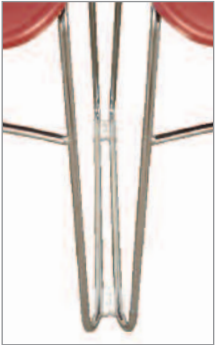

Uniquely Designed Contoured Seat and Back for Optimal Comfort.

Bumpers on legs help protect from scratching and prevents tipping by creating a more uniform stack.

4 stacking bumpers underneath the seat help prevent wear and tear from continuous use. 3 braces underneath the seat give added strength.

The glide has a ganging feature that simply snaps and holds rows of chairs in place instantly.

Glides are screwed into the frame to prevent them from slipping off - no clip ons!

KFI Limited Warranty

All KFI chair frames and table bases are warranted against defects for (12) years from the original purchase date. 300 and 400 Series chair frames are warranted against defects for (5) years from the original purchase date.

KFI guarantees all products to be free from defects in original material and/or workmanship for one (1) year from the original purchase date.

This warranty is void if the product is not used for its intended purpose or if subjected to an unusual application or abuse. This warranty does not cover normal wear and tear. Variation in the color and/or texture of a material is not considered a defect.

This warranty is valid to any purchaser of KFI furniture. In the event of a claim, the purchaser may be required to validate their purchase by furnishing a copy of the original invoice for the product in question.

The KFI Service Department may issue a return authorization for the investigation of the claim. The purchaser may then be required to return the product to KFI, freight prepaid. If the claim is proven valid, KFI will without further cost to purchaser repair, or replace, at KFI's option, the appropriate defective part.
